PERSONAL PROFILE

Over the past eight years my work has been as diverse as a years contract at FRIEDRICHSTADT PALAST in BERLIN to a specially commissioned AERIAL DANCE FILM for CHANNEL 4. I have worked both nationally and internationally within traditional circuses, clubs, corporate events, theatres, for TV and film and within more experimental aerial dance companies . I am a specialist tutor for Circomedia Circus School in Bristol teaching corde lisse and teach aerial workshops in the UK and internationally. (Chinese pole, corde lisse etc) I also provide workshops specific to dancers at colleges/universities in USA and Asia.

Through my own work and choreography I explore the physicality, presence, sensitivity and power of the body, both on and off the ground.
